IN THE NARRATIVES THAT FOLLOW:

(★) Indicates that Governor Gregoire has tentatively chosen to include the item in her 2012 supplemental budget proposal in November.

ALSO NOTE:

- Many items will require notice to clients or providers.
- Many items will require legislation.
- Impact descriptions, dollar amounts and effective dates are preliminary and subject to revision due to caseload forecast changes and other adjustments. Numbers have been rounded and may not exactly match numbers in the listing of *General Fund Reduction Alternatives* beginning on page 27.
- Unless otherwise noted, all dollar amounts are General Fund-State.
- Dates for eliminations and reductions in services vary. Dates may vary for elimination and an alternative reduction, too, for the same program or service.

		1.

EDUCATION

DEPARTMENT OF EARLY LEARNING

Reduce preschool enrollment by 25 percent

\$14.0 million

Cuts ECEAP (Early Childhood Education and Assistance Program) services for all 3-year-olds except those necessary to maintain viable classrooms with 4-year-olds, plus 1,157 (17 percent) of 4-year-olds, for a total of 2,223 fewer enrollments.

Alternative: Reduce enrollment by 11 percent

\$6.0 million

Cuts ECEAP services to all eligible 3-year-olds, except where needed to maintain a viable classroom (loss of 1,065 preschool enrollments).

Reduce seasonal child care administration (★)

\$2.1 million

Eliminates state funding through nonprofits to administer child care subsidies for seasonal agricultural workers. Maintains federal funds, which may not be used for children of undocumented seasonal workers.

Eliminate state funding for Child Care Resource and Referral program (*) \$1.3 million Terminates state funding to provide child care resource information to parents. As federal funds are the predominant funding source, the state cut will reduce services by 11 percent.

Reduce administration (★)

\$950,000

OFFICE OF SUPERINTENDENT OF PUBLIC INSTRUCTION

Delay June 30, 2013, apportionment payment to July 1, 2013 (★)

\$330.0 million

Extra day moves payment to the next biennium, which will not change total state payments to school districts for the 2012–13 school year.

Eliminate state levy equalization payments to school districts with higher school property tax rates

\$300.0 million

Ends equalization funds to all eligible districts. Some districts could make up for some or all of the reduction by seeking to increase their local voter-approved levies; others will not be able to.

Alternative: Reduce levy equalization payments by 50 percent (★)	\$150.0 million
Alternative: Reduce levy equalization payments by 25 percent	\$75.0 million
Alternative: Reduce levy equalization payments by 10 percent	\$30.0 million

Eliminate school bus transportation

\$220.0 million

Shifts responsibility for transporting students to parents and communities through local transit systems, beginning in the 2012–13 school year. Maintains required transportation for eligible children with disabilities.

Increase class size by two students in grades 4–12 (★)

\$137.0 million

Boosts class size ratios of students to teacher as follows: grades 4–6: from 27 to 29; grades 7–8: from 28.5 to 30.5; and grades 9–12: from 28.7 to 30.7. Will result in fewer teachers, thus increasing class sizes.

Reduce school year by one week — from 180 to 175 days

\$125.0 million

Reduces length of school year by 3 percent. Offsets the loss of instructional time by reducing or eliminating non-instructional activities.

Shift bus depreciation payment from October to August (★)

\$49.0 million

Delays state payments to school districts for bus replacement by 10 months.

Eliminate National Board certification bonuses

\$40.0 million

Ends annual bonuses to 5,800 teachers certified by the National Board, including additional bonuses for Board-certified teachers working in challenging schools.

Alternative: Reduce National Board certification bonuses (★)

\$8.4 million

Reduces bonuses from \$5,000 to \$4,000.

Eliminate full-day kindergarten

\$38.0 million

Terminates full-day kindergarten classes for 16,900 students in high poverty schools.

Base school funding on an average daily attendance calculation

\$33.0 million

Reduces state allocations to schools by basing funding on daily attendance instead of monthly enrollment.

Alternative: Revise state attendance policy (★)

\$6.4 million

Changes policy that considers a student withdrawn after he/she is absent unexcused for 20 consecutive days. Five, not 20 days will more accurately account for students who have dropped out of school and for whom the state continues to provide funding to the school district.

Eliminate or reduce small grants and projects (*)

\$9.0 million

Terminates a number of grants and projects administered through OSPI: Promoting Actual Student Success (PASS), Readiness to Learn, Beginning Educator Support Team (BEST), principal and superintendent internships, career and technical education start-up grants, Building Bridges, STEM Lighthouses, nonviolence training and Jobs for America's Graduates (JAG). Cuts by 20 percent LASER, Washington Reading Corps, Leadership Academy, College Readiness, Achievers Scholars and IT Academy.

Reduce staffing for small high schools (\star)

\$5.0 million

Shrinks staffing formula for high schools serving fewer than 300 full-time students from minimum of nine full-time teachers to a minimum of eight.

Reduce administration by 10 percent (★)

\$600,000

SCHOOL FOR THE BLIND AND CENTER FOR CHILDHOOD DEAFNESS AND HEARING LOSS

Reduce state support for the school and the center

\$1.4 million

Cuts budgets for each by 10 percent, starting in the 2012–13 school year.

Alternative: Reduce each by 5 percent (*)

\$711,000

HIGHER EDUCATION

Eliminate State Need Grant financial aid to students

\$303.0 million

Ends the state's largest financial aid program, which provides grants to 70,000 low-income students.

Alternative: Reduce maximum State Need Grant award by 25 percent

\$68.4 million

Cuts State Need Grant to all eligible students, resulting in a maximum award amount of \$8,159 instead of \$10,879.

Alternative: Limit State Need Grant eligibility to public institutions

\$30.6 million

Makes students attending private colleges and universities ineligible.

Alternative: Reduce State Need Grant eligibility to 55 percent of median family income

\$25.5 million

Reduces eligibility to those students with family incomes at or below 55 percent of the state median family income (\$45,000 per year for a family of four).

Reduce state support to colleges and universities by 20 percent

\$222.0 million

Cuts General Fund-State support to the six public colleges and universities, and 34 community and technical colleges in the second year of the biennium.

Alternative: Reduce by 15 percent (\star)

\$166.0 million

Alternative: Reduce by 10 percent

\$111.0 million

Suspend State Work Study program (★)

\$8.0 million

Cuts aid to 7,600 students at public and private colleges and universities beginning fall term 2012.

SOCIAL AND HUMAN SERVICES

CHILDREN'S ADMINISTRATION

Maximize federal funding (★)

\$14.5 million

Identifies adoption- and foster care-related costs that can be covered with federal funds. The state provides adoption and foster care services to about 24,000 children monthly.

Reduce use and rates of contracted services (★)

\$13.0 million

Cuts the number of placements in group homes and reduces fees paid to child placement agencies. Prevents overpayments to improve program accountability.

Eliminate state funds for domestic violence programs

\$9.4 million

Terminates state funds for domestic violence shelters that serve about 16,700 individuals annually. Retains funding for non-shelter services.

Alternative: Reduce by 10 percent (★)

\$946,000

Increase client-to-social worker ratio (★)

\$8.2 million

Changes the average ratio of children to social worker. Affects only those social workers, associated supervisors and support staff employed in child welfare. Does not reduce the number of social workers in Child Protective Services.

Eliminate child welfare programs (*)

\$7.3 million

Terminates specialized child welfare programs such as receiving care centers, continuum of care, sex abuse recognition training, children's advocacy centers, educational coordinators, foster care assessment, adoption support recruitment and street youth. Approximately 5,700 children receive these services annually.

Reduce services (★)

\$4.7 million

Reduces the Pediatric Interim Care Center, foster parent child care and support services, receiving care services, maintenance overpayments, evaluation and treatment, sexually aggressive youth services, family preservation training and the responsible living skills program for adolescents.

Eliminate family reconciliation services (\star)

\$4.7 million

Stops intake and referral services aimed at keeping families intact and promoting positive behaviors for about 525 families who seek assistance each year.

Reduce foster care length-of-stay (\star)

\$876,000

Shortens the length of stay for 200 hard-to-place foster children now in care.

CHEMICAL DEPENDENCY

Reduce chemical dependency services (★)

\$14.5 million

Reduces out-patient and detoxification chemical dependency services for 11,000 low-income clients.

Eliminate Disability Lifeline and ADATSA (★)

\$5.2 million

Terminates the Disability Lifeline and ADATSA (Alcohol and Drug Abuse Treatment and Services Act) medical programs, affecting 15,000 clients who receive chemical dependency services.

Eliminate long-term residential and recovery house services (*)

\$2.7 million

Ends funding for long-term residential services in excess of 90 days for 223 clients who are chronically chemically dependent or disabled. Terminates funding for five recovery houses, which serve 299 clients after they have finished their residential treatment program.

Close Pioneer Center East (★)

\$2.1 million

Halts funding for this Spokane chemical dependency treatment facility that annually serves 283 acute-care clients.

Convert funding to county block grant (★)

\$2.1 million

Introduces flexibility for funding chemical dependency services, which will be distributed to counties in a block grant to maximize the efficient and flexible use of resources.

Capture Criminal Justice Treatment Account underexpenditure (*)

\$2.1 million

Uses underspent Criminal Justice Treatment Account funds to offset state chemical dependency costs for drug courts.

Limit detoxification visits (*)

\$1.9 million

Reduces the number of admissions to two per year, which will eliminate 2,020 visits annually.

Limit chemical dependency assessments (★)

\$188,000

Reduces the number of assessments to two per year, which will eliminate 251 assessments annually.

DEVELOPMENTAL DISABILITIES AND LONG-TERM CARE

Change eligibility requirements

\$204.3 million

Raises eligibility requirements and eliminates services for 25,000 developmentally disabled and elderly clients who now receive services ranging from in-home assistance with eating, bathing, medication management and toileting, to extensive hands-on assistance in a nursing home.

Alternative: Reduce eligibility for services (★)

\$35.0 million

Changes the eligibility for Medicaid personal care, nursing facility services and residential habilitation institutional services. Eliminates services for 5,000 elderly clients and 800 individuals with developmental disabilities.

Eliminate health care insurance for home care providers

\$74.4 million

Terminates health care insurance for agency providers and individual providers, who assist individuals with developmental disabilities and in long-term care with activities of daily living. This affects 12,000 agency providers and 32,600 individual providers.

Create a new provider classification

\$59.9 million

Creates a third classification of in-home care provider — the family member provider — to allow eligible long-term care and developmental disability clients to receive help with personal care and household tasks when other resources are not available. The two current classifications are agency provider and individual provider.

Consolidate developmental disability waivers (★)

\$12.0 million

Merges the Basic and Basic Plus waivers into a single waiver based on a flexible model instead of the current service allocation model. About 7,000 clients will be authorized to spend a pre-determined amount on services at an aggregate level rather than by the specific service. Clients can select their own mix of services within the determined amount.

Eliminate rate add-ons for nursing homes and assisted living (*)

\$9.9 million

Stops rate add-ons given to providers to take more Medicaid clients, reduce staffing ratios and increase wages. Monthly, nursing homes serve more than 10,000 elderly individuals and assisted living facilities serve more than 4,500 individuals.

Eliminate state-only employment and day services (*)

\$9.1 million

Terminates supported employment services for 488 clients with developmental disabilities who have not been placed in a Medicaid waiver program.

Reduce administrative rates for home care agencies

\$8.8 million

Cuts the administrative payment that agency providers receive for overhead expenses from \$5.00 per hour to \$4.00.

Suspend Individual and Family Service program (★)

\$8.4 million

Suspends services to nearly 1,000 families for respite care, therapies and other activities which help them keep loved ones with developmental disabilities in their homes.

Reduce Senior Citizens Services Act funding

\$7.8 million

Reduces funding to the minimum level necessary to satisfy the maintenance-of-efforts requirements (minimum match required by the state to accept federal funds) of the Older Americans Act.

Alternative: Reduce funding by 20 percent (★)

\$1.6 million

Cuts funding to the Area Agencies on Aging, which provide case management services and other services, such as Meals on Wheels, to elderly individuals to help them remain in their homes.

Eliminate Adult Day Health program (*)

\$4.1 million

Makes ineligible nearly 1,000 individuals with developmental disabilities or in long-term care who now receive assistance with medication management, cognitive and physical therapies, and group interactions.

Eliminate Volunteer Chore Services program

\$2.8 million

Terminates program that each year enables more than 295,000 individuals with functional or cognitive impairments to receive assistance with household tasks, yard work, transportation, minor home repairs and other activities.

Alternative: Reduce funding by 20 percent (★)

\$560,000

Close one residential habilitation center (★)

\$2.0 million

Shutters the Rainier School residential habilitation center through the use of federal grants and one-time funding to transition approximately 350 clients to community-based settings or other residential habilitation centers. Because the average monthly cost in an institution is more than \$15,000 per client, significant future biennia savings are expected.

ECONOMIC SERVICES

Reduce state funding for subsidized child care by 18 percent

\$75.0 million

Affects 6,000 children whose low-income families now receive subsidized child care while parents are working.

Alternative: Reduce by 12 percent (★)

\$50.0 million

Affects 4,000 children.

Eliminate aged, blind or disabled grants

\$29.7 million

Terminates monthly grants to more than 15,000 individuals who are aged, blind or disabled, or who are qualified to seek Social Security Income assistance. Current maximum monthly grant is \$197.

Reduce TANF time limit

\$26.5 million

Shrinks maximum time a family can receive a TANF (Temporary Assistance to Needy Families) grant from 60 to 36 months, which eliminates eligibility for nearly 4,600 families.

Alternative: Reduce time limit to 48 months (★)

\$18.3 million

Affects 1,900 families.

Reduce TANF grants by 5 percent

\$19.4 million

Cuts TANF grants by 5 percent, which for a family of three will shrink the monthly amount by \$23 — to \$454.

Alternative: Reduce grant amounts by 2 percent (★)

\$7.7 million

Shrinks monthly grant to \$468.

Earn federal TANF contingency funds (★)

\$17.6 million

Awaiting receipt of new federal funds.

Eliminate State Food Assistance program (★)

\$14.5 million

Halts food assistance to an estimated 13,000 individuals each month who are not eligible for federal food assistance due to lack of documentation of citizenship.

Eliminate Disability Lifeline medical program (*)

\$8.7 million

Terminates medical services to 21,000 clients.

Eliminate State Family Assistance program (★)

\$6.0 million

Stops cash assistance to 1,200 families who do not meet TANF eligibility criteria due lack of documentation of citizenship. The average monthly payment is \$240.

Eliminate naturalization services (\star)

\$2.6 million

Ends naturalization services to legal immigrants attempting to become U.S. citizens. The program serves about 4,400 individuals annually.

Reduce funding for refugee and limited English proficiency services (★)

\$1.8 million

Cuts 15 percent of program that will now target clients with the lowest level of English-as-a-Second language proficiency. Serves 4,900 clients annually, of whom 735 will become ineligible.

Restrict replacement of electronic benefits transfer cards (*)

\$752,000

Halts replacement of EBTs in DSHS Community Service Offices, except in case of emergency, effective July 1, 2012. Cards are used for cash and food for low-income clients.

JUVENILE REHABILITATION ADMINISTRATION

Eliminate parole services for juveniles

\$19.1 million

Terminates all parole treatment and services for youths. Parole services are now provided to approximately 400 juveniles each month.

Alternative: Reduce parole services by 20 percent (★)

\$3.8 million

Cuts will reduce the time in which parole is provided or reduce the number of juveniles served.

Reduce juvenile court county funds by 20 percent (★)

\$5.5 million

Cuts funding sent to counties for evidence-based programming that serves juveniles, affecting approximately 1,900 youths.

Close a youth camp (★)

\$3.8 million

Shutters one facility and transfers youths to other state facilities.

Reduce caseload and increase efficiencies in facility transitions (*)

\$3.3 million

Releases juveniles with non-violent offenses and a low-risk score on the minimum release date. Achieves additional savings by delaying new hires and services during facility transitions.

Eliminate expansion of juvenile behavioral therapy programs (*)

\$750,000

Terminates therapy for approximately 200 aggressive youths and their families.

MENTAL HEALTH

Close hospital wards and change eligibility standards

\$57.8 million

Closes four state hospital wards and places 120 patients in community settings. Eligibility and benefits changes will limit the use and cost of community-based Medicaid services.

Alternative: Close two civil wards at Western State Hospital (★)

\$1.5 million

Closes two wards and places 60 patients in community settings.

Delay implementation of Involuntary Treatment Act changes (★)

\$22.6 million

Changes implementation date of House Bill 3076 from Jan. 1, 2012, to July 1, 2015. This postpones the expected increase in utilization of community-based and institutional mental health services.

Reduce regional support network Medicaid rates

\$11.6 million

Reduces Medicaid payments by 4 percent. About 43,000 Medicaid recipients per month receive services through these organizations that deliver mental health services for Medicaid and non-Medicaid clients in communities across the state.

Alternative: Implement utilization management (★)

\$9.5 million

Institutes process to reduce excessive use of mental health services.

Close state hospital wards for dementia and traumatic brain injury clients (*

\$5.1 million

Shuts down two wards at Western State Hospital and places 52 patients in long-term care community settings.

Reduce non-Medicaid funding for regional support networks (*)

\$4.9 million

Cuts funding for mental health services provided by regional support networks to 8,000 non-Medicaid clients per month.

Capture savings in ITA and offender reentry program (\star)

\$3.2 million

Lowers funding to match expected spending for pharmaceuticals, equipment and professional fees for individuals who are involuntarily committed to a community mental health hospital. Also trims funding for mental health services to dangerously mentally ill offenders released from correctional institutions.

Use federal block grant for waivered mental health services (★)

\$2.1 million

Replaces state funds with federal funds for such services as supported employment, Club House for adult services and respite care.

Consolidate regional support networks (\star)

\$1.8 million

Reduces number of regional support networks from 13 to six by Jan. 1, 2013.

Eliminate Spokane acute care diversion proviso

\$1.7 million

Removes funding for services that divert mental health patients from the state hospital system. This funding is now provided only to the Spokane regional support network.

Alternative: Reduce by 50 percent (\star)

\$844,000

Eliminate hospital bed penalty charged to regional support networks (**)

\$1.5 million

Terminates the penalties charged to regional support networks that excessively direct their clients to the state hospital system.

ADMINISTRATION

Reduce payments to other agencies by 10 percent (★)

\$5.4 million

Eliminate non-core mental health programs (*)

\$1.4 million

Terminates the TeamChild, Juvenile Detention Alternatives Initiative and Washington Mentoring programs.

Reduce administration (★)

\$841,000

Eliminate community initiative funding (\star)

\$700,000

Terminates funding for a public/private partnership that supports at-risk youth and families.

HEALTH SERVICES

HEALTH CARE AUTHORITY

Change eligibility for Children's Health Insurance Program

\$145.0 million

Terminates funding for 134,000 categorically needy children, as defined by the Medicaid program, above 150 percent of the federal poverty level, which is \$33,525 for a family of four. Families will have the option to purchase full health care coverage at 100 percent of the premium.

Alternative: Implement premiums for children over 150 percent of the federal poverty level (*)

\$22.1 million

Holds premiums between \$50 and \$75 so that no family will pay more than 5 percent of income.

Suspend adult Medicaid pharmacy benefits

\$127.3 million

Halts state Medicaid plan from providing adult coverage for 277,000 clients now receiving outpatient drugs from a retail pharmacy, effective Jan. 1, 2012. Children will continue to receive benefits. Includes a 36 percent offset for increased medical costs. *Medicaid-optional program*.

Eliminate Disability Lifeline medical program (*)

\$110.0 million

Ends medical services to 21,000 clients enrolled in the Disability Lifeline and ADATSA (Alcoholism and Drug Abuse Treatment Support Act) programs.

Eliminate Medically Needy Medicaid program

\$61.2 million

Terminates program now serving 13,000 Medicaid clients, effective Jan. 1, 2012.

Eliminate Basic Health Plan (★)

\$48.1 million

Terminates program that delivers subsidized health care to 35,000 low-income individuals, effective Jan. 1, 2012.

Establish drug formulary for Medicaid clients (★)

\$37.0 million

Sets up formulary for preferred generic drugs.

Reduce Apple Health for Kids

\$34.0 million

Eliminates medical coverage for approximately 25,000 undocumented children.

Alternative: Implement premiums for children over 150 percent of the federal poverty level (*)

\$1.2 million

Holds premiums between \$20 and \$50 so that no family will pay more than 5 percent of income.

Reduce certified public expenditure hospitals (★)

\$27.8 million

Cuts state grants for hospitals that receive help with costs of providing charity care. Majority of the reduction will affect Harborview Medical Center and the University of Washington Medical Center.

Modify critical access hospital payment methodology (★)

\$27.2 million

Changes the payment methodology for critical access hospitals to the same methodology used for other hospitals, effective July 1, 2012. Affects 41 critical access hospitals, which are facilities in underserved rural communities.

Eliminate maternity support services

\$20.9 million

Ends program that provides services to 55,000 pregnant women who are at risk of unhealthy birth outcomes. *Medicaid-optional program*.

Alternative: Reduce by 50 percent (★)

\$9.6 million

Maintains the minimum level required by the federal government.

Eliminate disproportionate share grants (*)

\$13.1 million

Terminates grants to health care facilities in small and rural communities for indigent patients.

Discontinue routine dental care for persons with developmental disabilities, \$11.7 million long-term care clients and pregnant women (*)

Affects 38,000 individuals who will receive only emergency dental services. *Medicaid-optional program*.

Eliminate over-the-counter pharmaceutical coverage (*)

\$9.9 million

Terminates coverage for all over-the-counter pharmaceuticals for Medicaid clients.

Institute medical services cost sharing (★)

\$6.1 million

Implements cost sharing for prescription services, non-emergent client transportation, non-emergent emergency room visits and physician services.

Eliminate medical interpreter services (*)

\$4.8 million

Discontinues the state subsidy that covers the cost of interpreter services offered by medical providers to communicate with Medicaid clients whose primary language is not English. *Medicaid-optional program*.

Eliminate state funding for school-based Medicaid (★)

\$3.2 million

Shifts remaining cost for school-based medical services from state funds to local district funds to earn federal Medicaid reimbursement.

Eliminate health care for workers with disabilities

\$1.9 million

Terminates this program for 2,100 clients who receive health benefits so they can get healthy and keep their jobs. *Medicaid-optional program*.

DEPARTMENT OF HEALTH

Eliminate Blue Ribbon Commission Act public health funds (*)

\$9.8 million

Terminates state support to local public health departments to increase vaccinations and reduce obesity and chronic and communicable diseases. Half of these funds were cut in the 2009–11 budget.

Reduce public health prevention and protection (★)

\$7.2 million

Cuts state funds for HIV prevention outreach and direct client services by 10 percent. Will pay only for health coverage for Medicare Part D prescription drug plans so clients keep access to antiretroviral medications. Eliminates dental care coverage for 1,200 clients with HIV. Terminates state funds for other health and prevention programs.

Reduce family planning grants

\$6.8 million

Cuts grants that help local jurisdictions provide family planning-related services. This reduction may limit access to clinics.

Alternative: Reduce by 10 percent from base funding (*)

\$1.8 million

Reduce environmental health protection (★)

\$1.3 million

Cuts technical assistance and monitoring of water systems, on-site septic system permitting and compliance activities, public health lab community outreach, and surveillance of plague mosquito-borne and tick-borne diseases.

Reduce administration (*)

\$936,000

Reduce health care and emergency medical systems (*)

\$739,000

Cuts emergency medical systems and area health education centers. Eliminates malpractice insurance program for volunteer retired provider.

PUBLIC SAFETY

DEPARTMENT OF CORRECTIONS

Eliminate offender supervision

\$97.0 million

Terminates offender supervision except for interstate cases and special sentences. Includes an offset of \$30 million for community public safety impacts.

Alternative: Implement offender supervision reforms (★)

\$27.0 million

Institutes efficiencies and evidence-based practices in supervision of violator population. Reduces the length of supervision to 12 months for all offenders except sex offenders, who will be supervised for 24 months.

Allow early release of offenders (★)

\$18.0 million

Releases 150 days early offenders assessed at low to moderate risk of reoffending, and sex offenders assessed at low to moderate risk of reoffending. Closes one minimum-security camp and changes security level of Washington State Reformatory at Monroe from medium to minimum security.

Repurpose Old Main at Walla Walla

\$16.2 million

Converts units at the Old Main in Walla Walla to minimum-security units. Medium-security level prisoners will be relocated to other medium-security facilities in the state.

Alternative: Repurpose Old Main and invest savings in safety improvements as recommended by a safety committee (**)

\$13.8 million

Eliminate chemical dependency programming for offenders

\$11.1 million

Ends chemical dependency treatment to all offenders except where required by the courts through special sentencing alternatives.

Alternative: Reduce chemical dependency programming (*)

\$5.0 million

Retains chemical dependency treatment for offenders sentenced under the Drug Offender Sentencing Alternative. Reduces treatment for offenders in prison and on community supervision by 50 percent.

Reduce administration and maintain vacancy savings (\star)

\$9.6 million

Cuts administration and support functions. Eliminates the Jail Industries Board, which promotes employment through partnerships with labor, business, communities and other organizations.

Increase offender health care co-payments (★)

\$1.8 million

Requires offenders with resources to pay more of their health care costs through higher co-pays.

SPECIAL COMMITMENT CENTER

Expedite court hearings for low-risk residents (*)

\$1.8 million

Identifies residents deemed to be at low risk of reoffending and advances them to the courts for consideration of release.

Limit funding for costs for sexually violent predator commitment trials (*)

\$1.3 million

Specifies that the state will cover only defense costs for attorneys, paralegals and sheriff transportation, in addition to one expert witness per side and one continuance.

Reduce general services (★)

\$1.2 million

Cuts food and nursing services, recreation and contracts.

STATE PATROL

Charge fee to local governments for use of State Crime Lab (effective July 1, 2012) (★)

\$4.5 million

Requires local governments to pay a fee for crime lab services related to non-violent crimes now offered at no cost.

NATURAL RESOURCES

DEPARTMENT OF AGRICULTURE

Eliminate funding to county fairs (*)

\$3.0 million

Terminates funding to county fairs to pay for premiums (prize money). Achieves savings by reducing state funding transferred into the Fair Fund. Preserves funding for community and youth fairs.

Eliminate international marketing program

\$1.6 million

Cuts program that helps Washington farmers and ranchers to sell crops and agricultural products on international markets.

Alternative: Reduce by 50 percent

\$773,000

Eliminate invasive knotweed control program

\$758,000

Terminates grants to local entities to combat invasive knotweed, which if left unchecked harms native plants and fish species.

Alternative: Shift program to the Aquatic Lands Enhancement Account and Freshwater Aquatic Weeds Account (★)

\$758,000

CONSERVATION COMMISSION

Reduce administrative/operations grants to conservation districts (*)

\$1.4 million

Reduces administrative and operations grants to conservation districts by 57 percent to encourage districts to pursue local assessments. To date, only 15 of 47 conservation districts have implemented local assessments to fund district administration and projects.

DEPARTMENT OF ECOLOGY

Reduce staff funded through General Fund-State (★)

\$2.6 million

Holds vacant 14 state-funded positions in a number of programs, including air quality, water resources, water quality and administration. Will reduce capacity for motor vehicle emission testing, stream-flow monitoring, water quality permit administration and water resources management.

Reduce state subsidy of agricultural burning program (★)

\$222,000

Shrinks state subsidy for permitting of agricultural burning. Reduction can be made up through fee increases recommended by the Agricultural Burning and Research Task Force.

DEPARTMENT OF FISH AND WILDLIFE

Replace hydraulic project permit General Fund-State support with alternative funding (\star)

\$1.9 million

Cuts GF-S funding and explores other ways of supporting this program, which helps protect fish from impacts of projects in rivers and streams.

Close hatcheries and fisheries

\$1.6 million

Closes the Samish and Nemah hatcheries, which will halt production of all fall Chinook salmon in the Nooksack/Samish region and about 40 percent of Chinook and chum salmon production in Willapa Bay. Reduces the Puget Sound sea urchin and sea cucumber fishery and closes all state commercial salmon and sturgeon fisheries in Grays Harbor.

Shift hatchery operations to the State Wildlife Account (★)

\$1.5 million

Shifts 22 percent of hatchery operations to the State Wildlife Account on a one-time basis to continue fish production for commercial and recreational fisheries.

Reduce salmon recovery and habitat protection

\$1.2 million

Reduces summer chum recovery efforts in Hood Canal and Grays River, along with several salmon monitoring activities. Delays hydraulic project permit processing, which will reduce fish protection and delay the start of projects. Also cuts technical assistance to salmon recovery groups.

Reduce senior management (★)

\$1.1 million

Eliminates six division and regional managers at headquarters and regional offices.

Reduce payment in lieu of taxes payments to local governments (★)

\$772,000

Rolls back payments to counties to 2009 levels. Counties receive payments from the department in lieu of property taxes that would be assessed if the land were privately owned.

Eliminate Puget Sound toxic sampling in fish

\$714,000

Terminates sampling of Pacific herring and English sole for toxic contaminants, which will hamper the state's ability to track progress in reducing toxics in sediments.

Alternative: Shift program to the Aquatic Lands Enhancement Account (★)

\$714,000

Reduce shellfish harvest and management

\$536,000

Reduces clam and oyster seed planting on public beaches by 30 percent, resulting in a 20 percent reduction in recreational harvest within two to three years. Eliminates two Puget Sound crab and shrimp managers, which will delay openings for winter crab fisheries and lowered catch limits.

Implement cost recovery for energy project habitat technical assistance (*

\$486,000

Allows entering into cost-reimbursement agreements for technical assistance to energy project developers to protect fish and wildlife habitat.

Shift equipment purchases to the Fish and Wildlife Equipment Revolving Fund (★)

\$355,000

Shifts a portion of GF-S equipment purchases to this revolving fund.

Eliminate ballast water inspections in Puget Sound and the Columbia River

\$352,000

Terminates ballast water inspections of commercial vessels entering the state, which will hamper the ability to prevent the introduction of aquatic invasive species such as zebra mussels.

Alternative: Shift program to the Aquatic Lands Enhancement Account (★)

\$352,000

Suspend agricultural damage payments (★)

\$300,000

Suspends payments to compensate landowners for confirmed damage to agricultural crops caused by wildlife (primarily deer and elk).

DEPARTMENT OF NATURAL RESOURCES

Capture fire suppression savings (★)

\$2.0 million

Takes savings from lower-than-expected wildland firefighting costs for the 2011 season.

Switch correctional camp work to state trust lands (★)

\$300,000

Focuses work by correctional camp crews on silviculture activities on state trust lands instead of recreation and local government sites.

Use existing funds for Agriculture College Trust management (★)

\$270,000

Due to the current fund balance, the agency will not require state support for land and timber management activities on the Agriculture College Trust lands.

STATE PARKS

Reduce state support by 10 percent

\$1.7 million

Holds vacancies, cuts park maintenance and cancels a contract with local sheriffs for ocean beach enforcement.

GENERAL GOVERNMENT

CENTRAL SERVICES CHARGES/STATEWIDE

Reduce central services and related charges to state agencies (*)

\$16.0 million

Requires state agencies to control costs and demands for service. Total central service billings to client agencies will be reduced by approximately \$50 million, roughly half in General Fund-State savings.

Reduce agency budgets by 10 percent (★)

\$1.9 million

Affects agencies with 26 or more FTEs (full-time equivalent employees) and GF-S biennial budgets of less than \$10 million.

Reduce small agency budgets by 5 percent (★)

\$1.4 million

Affects agencies with 25 or fewer FTEs.

DEPARTMENT OF COMMERCE

Eliminate essential needs and housing support program

\$45.7 million

Terminates grants to 16,170 low-income individuals.

Alternative: Eliminate essential needs and housing funds. Provide \$35.7 million community-based housing and case-management services to mental health and developmentally disabled clients discharged from institutions. (*)

Provides \$10 million flex funding for housing and treatment service providers for case-management services to recently de-institutionalized individuals.

Eliminate sexual assault formula grants

\$9.5 million

Terminates state funds for grants to the 39 community programs that deliver prevention and treatment services to victims of sexual assault. Annually, more than 85,000 individuals are served. Programs take in about 10,000 new clients, 57 percent of whom are children.

Alternative: Reduce grants by 20 percent (★)

\$3.0 million

Eliminate Innovation Research Team (STARS) and reduce the Economic Development Commission (**)

\$2.5 million

Terminates STARS, which are teams of scientists who develop new technologies to keep Washington competitive in the green economy. Reduces the state Economic Development Commission, which will delay the update of the state's Strategic Economic Development Plan.

Require competitive process for local economic development organizations and reduce state funding by 30 percent (*)

\$2.5 million

Moves to a competitive process to access funding so that associations with projects of greatest promise are funded. Cuts funding to local economic development organizations.

Eliminate victim witness support

\$1.8 million

Ends grants to victim witness programs in each of the 39 county prosecutor offices. Annually, the programs assist 43,000 crime victims and witnesses in pursuing prosecution.

Alternative: Reduce grants by 20 percent (★)

\$570,000

Eliminate Homeless Assistance program

\$1.7 million

Terminates program that provides rental assistance to 1,590 people annually.

Eliminate community services block grants (*)

\$1.4 million

Terminates state funding for approximately 690,000 people in 276,000 households who now receive housing, nutrition, employment and emergency food and shelter services.

Eliminate grants for domestic violence legal advocacy

\$1.4 million

Terminates grants to 48 community-based, domestic violence prevention programs that assist with protection orders and divorce and separation papers. In fiscal year 2011, nearly 5,680 individuals were served.

Alternative: Reduce grants by 20 percent (★)

\$564,000

Eliminate community mobilization grants (\star)

\$1.2 million

Terminates grants that counties use to help prevent and reduce substance abuse and violence. More than 175,000 youths and adults were served in the 2009–11 biennium.

Eliminate victims services

\$1.2 million

Terminates funding for 13 regional centers that deliver 24-hour crisis intervention.

Alternative: Reduce by 20 percent (★)

\$526,000

Eliminate State Drug Task Force (★)

\$808,000

Ends state funding for the Multi-Jurisdictional Narcotics Drug Task Force, which will cause closure of seven of 19 local task forces. In fiscal year 2009, this program helped dismantle 170 criminal organizations. Other funding is available.

Eliminate state energy policy unit

\$720,000

Shutters this unit which boosts the state's ability to improve energy efficiency and develop renewable energy businesses that can compete in the global marketplace.

Alternative: Reduce program by 10 percent (★)

\$112,000

Eliminate Retired Senior Volunteer Program

\$380,000

Terminates funds to recruit and support volunteers in 18 programs in 32 counties. In fiscal year 2010, nearly 13,000 senior volunteers provided more than 2 million hours of service to communities.

Reduce dispute resolution center funding (\star)

\$375,000

Reduces state grants by 60 percent for 21 local dispute resolution centers, which offer mediation services and training. More than 80,000 individuals were served in 2009. Shifts focus to housing foreclosure mediation services.

Reduce Long-Term Care Ombudsman grants (★)

\$327,000

Cuts grants by 20 percent for 12 regional ombudsman offices that train volunteers who investigate and mitigate complaints from residents (and their families) of long-term care facilities and adult family homes.

Eliminate Asset Building program (*)

\$324,000

Ends funding for services such as free tax preparation, foreclosure assistance, credit counseling and small-business training to thousands of low-income working families.

Reduce support for administration of community services and housing programs (*)

\$270,000

Reduces the management and administrative support of programs recommended for elimination or reduction, including asset building, community services block grant, New Americans, Retired Senior Volunteer and crime victims services. Applies to second year of the biennium.

Eliminate New Americans Program (*)

\$250,000

Terminates program that helped 1,780 legal immigrants become naturalized citizens in fiscal year 2011.

Reduce international trade and business development activities (*)

\$100,000

Cuts market development assistance, business matchmaking services at trade shows and trade missions that support international trade. Will hamper state's ability to promote Washington products internationally.

DEPARTMENT OF ENTERPRISE SERVICES

Shift state support for contracts unit and reduce support (*)

\$965,000

Moves the contracts unit's state funding to dedicated sources. Reduces state funding for utilities, operations and maintenance services to legislative agencies, and shifts funding for the Capital Projects Advisory Review Board to the capital budget.

DEPARTMENT OF LABOR AND INDUSTRIES

Reduce funding for Crime Victims Compensation program (★)

\$2.2 million

Cuts state funding with no change in client benefits. Higher level of federal benefits will offset the loss of state funds.

Use fees for factory assembled structures and reduce administration (★) \$1.2 million Shifts program that inspects mobile and modular homes and other built structures to fee basis. Will not reduce the number of inspections. Also cuts funding for department administration.

MILITARY DEPARTMENT

Close selected armories and reduce administration (*)

\$1.6 million

Reduces number of local armories from 32 to 28 (Everett, Prosser, Pullman and Tacoma) and cuts the department's administration and facilities management.

DEPARTMENT OF REVENUE

Reduce expenditures in non-revenue generating activities (*)

\$7.3 million

Cuts spending by 3.5 percent without affecting revenue collections by holding vacancies in non-revenue-generating positions, reducing telephone assistance and customer service, and cutting support for tax policy, fiscal analysis and rule making.

ATTORNEY GENERAL'S OFFICE

Eliminate the Homicide Incident Tracking System and reduce the Criminal Investigation Program (**)

\$1.2 million

Terminates HITS, which is used to track and solve violent crimes. HITS information is available through other federal and regional databases. HITS and CIP provide services that local law enforcement agencies could receive elsewhere, or pay the state or other entity to provide. Retains 20 percent of CIP funding to continue provision of some services to very small counties.

COURTS/JUDICIAL AGENCIES

Reduce by 10 percent (★)

\$22.2 million

Eliminate Parents Representation program (effective July 1, 2012)

\$11.5 million

Terminates program that provides low-income parents in dependency proceedings with the assistance of state-funded attorneys. (included in the 10% reduction)

OFFICE OF THE GOVERNOR

Reduce by 10 percent (★)

\$1.1 million

LEGISLATURE

Reduce by 10 percent (★)

\$14.2 million

SECRETARY OF STATE

Reduce administrative and other costs (*)

\$3.1 million

Cuts administration, closes library branch in Washington State Penitentiary eastern complex, scales back State Library services and supplies, reduces TVW funding by 7 percent and other actions.

EMPLOYEE COMPENSATION

Impose 10 furlough days

\$38.0 million

Assumes same exemptions as specified in Senate Bill 6503. Under previous furlough program, as many as 14,000–24,000 employees were affected by each statewide furlough day.

Impose additional 1 percent salary reduction for K-12 employees (one year) \$37.0 million Reduces all K-12 salary allocations by 1 percent, effective for the 2012–13 school year.

Impose additional 1 percent salary reduction for state employees (one year) \$32.7 million Boosts current salary reductions for most state employees from 3 to 4 percent. For represented employees, will require reopening the collective bargaining agreements and reaching agreement with each union.

Increase health contributions for general government employees (one year) \$28.0 million Boosts percentage paid by employees from 15 to 25 percent. For represented employees, will require reopening the collective bargaining agreements and reaching agreement with each union. Will reduce employer (state) monthly per-employee contribution from \$850 to \$807.

Alternative: Reduce PEBB monthly per-employee funding rate from \$850 to \$825 (★)

\$16.0 million

Reduce monthly state allocation for K-12 employee health benefits (*)

\$20.0 million

Reduces state allocations to school districts for employee health benefits from \$768 to \$745 per month.

Reduce LEOFF Plan 2 employer contribution to actuarially necessary rates (★)

\$15.0 million

Reduces the state contribution to the LEOFF Plan 2 pension, which covers local law enforcement officers and firefighters. The pension is funded by a combination of contributions in which the members pay 50 percent of the total contributions, the employers pay 30 percent and the state pays 20 percent.

Suspend step increases (one year)

\$11.4 million

Delays step increases for about one-third of the workforce, including approximately 20,000 general government classified employees who have been subject to a 3 pay reduction, effective July 1, 2012. Requires reopening the collective bargaining agreements and reaching agreement with each union.

Alternative: Exclude employees who earn less than \$2,500 per month

\$9.7 million

Adjust contributions to Judicial Retirement System to payout rate (*) Slows the projected increase in fund balance.

\$4.0 million

End sick leave cash-outs for employees who are not retiring

\$476,000

Terminates the practice of paying state employees annually for one-quarter of their unused sick leave for balances in excess of 480 hours. For represented employees, will require reopening the collective bargaining agreements and reaching agreement with each union.

LOCAL GOVERNMENT REVENUE SHARING

Eliminate liquor profits sharing (effective Feb. 1, 2012)

\$53.9 million

Eliminates sharing of state liquor profits, under which 50 percent of license and permit fees and liquor markup revenues received by the Liquor Control Board are distributed to counties, cities and towns. Distributed by population, 10 percent is shared with all 39 counties and 40 percent is shared with all 281 cities and towns. Funds can be used for any local government purpose, but each jurisdiction must spend at least 2 percent of its distribution to support alcohol or drug addiction programs.

Alternative: Eliminate (July 1, 2012) (★) \$35.4 million

Alternative: Reduce by 10 percent (July 1, 2012) \$3.5 million

Eliminate county criminal justice assistance (effective Feb. 1, 2012)

\$42.1 million

Ends General Fund-State support for county criminal justice purposes, such as police, courts, jails, prosecutors, defense and victim advocates. All 39 counties receive funding according to a formula based on population and criminal cases filed in superior court.

Alternative: Reduce by 5 percent (July 1, 2012)

\$1.68 million

Eliminate streamlined sales tax mitigation (effective Feb. 1, 2012)

\$36.4 million

Ends revenue distribution to two counties, 51 cities and seven transit districts that impose a sales tax to mitigate revenue losses resulting from the Streamlined Sales and Use Tax Agreement, which changed sales and use from an origin-based, sales-tax sourcing scheme to a destination-based, sales-tax sourcing scheme.

Alternative: Reduce by 25 percent (July 1, 2012)

\$6.2 million

Eliminate liquor excise tax sharing (effective Feb. 1, 2012)

\$33.2 million

Eliminates the state's liquor excise tax revenue sharing (35 percent of all collections) that counties, cities and towns receive. Distributed by population, 20 percent goes to 39 counties and 80 percent goes to 281 cities and towns. Funds can be used for any local government purpose, but each jurisdiction must spend at least 2 percent of its distribution to support alcohol or drug addiction programs.

Alternative: Eliminate (July 1, 2012) (★) \$26.4 million

Alternative: Reduce by 10 percent (July 1, 2012) \$2.6 million

Eliminate the rural county economic development sales tax credit (Effective March 1, 2012)

\$24.0 million

Terminates a tax credit that allows 32 rural counties to retain up to 0.09 percent of the state's sales tax to fund public facilities such as street improvements, bridges and water/sewer systems that serve economic development purposes.

Alternative: Reduce credit to 0.04 percent (May 1, 2012) (★) \$10.7 million

Eliminate the local public health MVET backfill (effective July 1, 2012)

\$24.0 million

Eliminates GF-S support that 35 local public health departments receive to compensate for revenue losses from the repeal of the motor vehicle excise tax due to the passage of Initiative 695.

Alternative: Reduce by 20 percent (July 1, 2012)

\$4.8 million

Eliminate the annexation sales tax credit (effective Feb. 1, 2012)

\$17.8 million

Terminates a tax credit that benefits seven cities in King, Pierce or Snohomish counties. Under the credit, cities that annexed an area with a population of at least 10,000 are allowed to retain 0.2 percent of the state's sales tax generated in the city to fund the cost of extending city services to the annexed area.

Alternative: Eliminate (May 1, 2012) (★)

\$13.5 million

Alternative: Reduce by 50 percent (July 1, 2012)

\$7.9 million

Eliminate city criminal justice assistance (effective Feb. 1, 2012)

\$16.7 million

Ends GF-S support for county criminal justice purposes, such as police, courts, jails, prosecutors, defense and victim advocates. Funds are distributed in five categories: 1) population; 2) high crime; 3) violent crime; 4) innovative law enforcement strategies; and 5) contracted law enforcement services. All 281 cities and towns receive one or more distribution.

Alternative: Reduce by 5 percent (July 1, 2012)

\$688,000

Eliminate distressed city and county assistance (effective Feb. 1, 2012)

\$8.9 million

Ends this program under which 1.6 percent of the state's real estate excise tax is deposited into an account to help counties with low sales tax bases, and cities with low sales and property tax bases, fund local government services. Fourteen counties and 170 cities received assistance in fiscal year 2011.

Alternative: Eliminate (July 1, 2012)

\$6.4 million

Alternative: Reduce by 20 percent (July 1, 2012)

\$1.3 million

Eliminate state portion of county prosecuting attorneys salaries (effective July 1, 2012)

\$2.9 million

Ends state contribution to county prosecuting attorney salaries. In 2008, the Legislature tied the salary of prosecuting attorneys to those of superior court judges, and agreed to cover half the cost of prosecuting attorney salaries.

Reduce funding for the Criminal Justice Training Commission by 10 percent (effective July 1, 2012)

\$1.5 million

Cuts state funding for the commission, which provides training and certification for all law enforcement officers in Washington state, except the State Patrol. Ninety-five percent of the individuals trained are city, county and tribal peace and corrections officers, while a small number are state enforcement, corrections and peace officers.

Alternative: Require 50 percent contribution

\$3.3 million

(July 1, 2012) (*)

Eliminate Rural County Drug Task Force funding (effective July 1, 2012) (★)

\$1.5 million

Terminates one-time temporary state funding for additional rural drug task forces.

Alternative: Reduce by 50 percent (July 1, 2012)

\$ 725,000
